34/22. Highway Matters

- The Clerk advised the assessment fee for the review and feasibility of a footway/chicane on the A480 had been received. Costs include a review and preparation, site visit, outline scheme drawing and technical notes by Balfour Beatty for £836.82. Councillors discussed the proposal and **AGREED** that until section 106 funding becomes available the project would be financial unviable for the PC to undertake and to defer the assessment and meeting with Balfour Beatty representatives until this time. *Clerk to respond to Balfour Beatty and decline request.*
- Cllr Bevan has requested purchase of a solar panel for the Speed Indicator Device at £560 + VAT. Solar panels would greatly help reduce the work involved in the regular charging and changing of the current batteries and keep the devices in situ for longer periods. Councillors **AGREED** to postpone purchase one solar panel until Cllr Bevan is present at the next Parish Council meeting to establish its effectiveness and undertake further research and costings.
- Clerk to follow up installation of a caution "road hump" or "slow" sign on Spond lane.

35/22. LZ8 Footpath behind Mission Hut Mews on Holme Marsh.

Parishioners on Mission Hut Mews have raised concern regarding the reinstatement of the original form of the footpath LZ8 from around the rear of the development back to routing through the development. Cllr Futcher explained that Parish Council supported a diversion of LZ8 following a request from Harpers Developers to ensure safety on site as Mission Hut Mews was built. Parish Council understood that the path would be rediverted back to its original position, which was agreed with Harpers when Mr Bates presented to Parish Council. It appears following an objection, Harpers will not be seeking the re- diversion, further information is being sought from Herefordshire Council PROW team and Councillor Phillips will be meeting with Callum Bush and investigating how best to resolve this concern. Cllr Phillips will report back to the July meeting
