PLAYGROUND

Following the decommissioning of two units in the playground, the parish Council will be installing a new swing set in early February.

Please note during this time **the playground will be CLOSED from Sunday January 28th hopefully for just a week.**

FLOODING

The Parish experienced some flooding during storm Henk at the beginning of January. Sadly several properties were flooded. Locals pulled together to help each other through this difficult time. If you experienced flooding please ensure you report it to

Herefordshire Council website: www.herefordshirecouncil.gov.uk

Some residents attended the Parish Council meeting in January to voice their concerns. Ward Councillor Roger Phillips is liaising with Herefordshire Council to explore opportunities should residents wish to formulate a flood response plan and identify those who may wish to participate.

NEW WEBSITE

Some of you will have noticed that the Parish Website has been unavailable for several weeks. The PC web host had a catastrophic problem with their server which disabled their platform. Unfortunately the problem has not been resolved, and almost all information is lost.

Good News though—A new temporary website has been developed and is now active, it is still under construction and we will continue to populate missing links over the coming months.

A new subscribers' list will be saved for emailing news and events alerts so please **check out the site at www.lyonshall.net and subscribe now!**
